Port Charlotte Garden Club

Scholarship Application For the Pursuit of Higher Education

(Due no later than April 1)

An academic scholarship to a Florida college or university is available for a graduating high school senior of Charlotte County, FL, a current student at Florida Southwestern State College or a previous winner of a Port Charlotte Garden Club scholarship. Home schooled students who meet the requirements are also eligible to apply.

Applicants must have a B or better grade point average (3.0) and indicate a desire to major in botany, conservation, ecology, environmental sciences, environmental engineering, floriculture, forestry, horticulture, landscape design, plant pathology or related fields.
